Anniversary Celebrations

Rowhill Grange is a beautiful, part thatched Victorian manor house set amidst 15 acres of English country gardens with a small lake, wooded glade and manicured lawns.

Situated less than 2 miles from both junction 3 of the M25/M20 and the A2/M25 intersection, Rowhill Grange seems a million miles away from the edge of London. Regular train services take approximately 30 minutes from London Victoria station, and historic Greenwich is just 15 minutes away.

Rowhill Grange is the area's highest rated 4 star hotel, offering the finest individually designed bedrooms including suites and four poster rooms, and is also home to the exclusive Utopia Health and Leisure Spa.

For that special occasion we offer private dining rooms for your exclusive use to cater for parties between 12-150.

Host an arrival drink for your guests in a private lounge followed by an exclusive menu to celebrate your exclusive celebration. Private dining menus start from £38 per head.
