HOOGLY TEA

Hoogly is the pronunciation of 'hyggelig', the adjective of Hygge, a Danish way of life and an experience; a year-round feeling of warmth, wellbeing and cosiness.

Hoogly Tea combines a love of tea with this mindful Danish concept to create a unique and healthy range of blends, made with luxury natural ingredients.

All teas are blended and packed in the UK, they are ethically sourced and fairly traded.
The biodegradable tea pyramids are soil association certified.

On behalf of Hoogly Tea, we invite you to have a Hoogly time drinking one of the delicious and indulgent brews, and be seduced by the wonderfully relaxing Danish way of life.
